EDUCATION

B.Tech – Computer Science

LDC Institute, Prayagraj · AKTU

Pursuing

Diploma – Computer Science

Govt. Polytechnic Chopan, Sonebhadra

2025

Higher Secondary (12th)

Govt. Excellence H.S. School, MP

2022

High School (10th)

Govt. Excellence H.S. School, MP

2020

CERTIFICATIONS

1. Full Stack Web Development (MERN)

GRAShTech · 2026

PROFESSIONAL SUMMARY

Motivated **Full Stack Developer** with hands-on experience in the **MERN stack** (MongoDB, Express.js, React.js, Node.js). Skilled in building secure, scalable web applications with **JWT authentication**, role-based access control, real-time communication via Socket.io, and RESTful API design. Currently pursuing B.Tech in Computer Science with strong expertise in **Next.js** and **Tailwind CSS**.

WORK EXPERIENCE

MERN Stack Development Trainee

Jul 2025 – Jan 2026

Grashtech · Noida, Uttar Pradesh

- Developed full-stack web applications using MongoDB, Express.js, React.js, and Node.js.
- Built and consumed RESTful APIs; tested endpoints using Postman for API validation.
- Implemented JWT authentication, role-based access control, and email verification flows.
- Integrated real-time features using Socket.io for live chat and notification modules.
- Collaborated using Git and GitHub with branching, pull requests, and code reviews.

Frontend Development Intern

Sep 2025 – Dec 2025

Grashtech · Noida, Uttar Pradesh

- Designed responsive UI components using HTML, CSS, JavaScript, and React.js.
- Applied Tailwind CSS for consistent, mobile-first design across all project pages.
- Integrated frontend views with backend REST APIs for dynamic data rendering.
- Improved page performance and cross-browser compatibility through best practices.

PROJECTS

Online Admission System

MERN · JWT · Role-Based

- Full-stack admission portal with student, admin, and staff roles secured via JWT authentication.
- CRUD operations for student applications, document uploads, and status tracking.
- Admin panel with email verification workflow and application approval management.

Hospital Management System

MERN · REST API · Admin Panel

- Multi-role system (Admin, Doctor, Patient) with JWT-based authentication and secure login.
- CRUD for patient records, appointments, prescriptions, and doctor schedules.
- Responsive admin dashboard with role-based access control for all operations.

Ayurvedic E-Commerce Platform

MERN · MongoDB Atlas · Chatbot API

2. **Summer Training – PHP with MVC**

Oct 2024

3. **Web Designing Certification**

Feb 2023

- Full-featured e-commerce site with product catalog, cart, and checkout using MERN stack.
- Integrated Chatbot REST API for customer support and product recommendation assistance.
- MongoDB Atlas cloud database with secure authentication and email verification on signup.
